

**REFUND POLICY FOR THE FIRST INSTALMENT OF THE TUITION AND UNIVERSITY FEES –  
APPLICABLE ONLY TO THE 1<sup>st</sup> YEAR OF ENROLMENT**

The first instalment of tuition and university fees may be refunded only to non-EU candidates residing abroad who are denied a study visa by the relevant Italian Embassy/Consulate. Candidates will need to provide proof of visa request rejection issued by the Italian Representation. The University will withhold an administrative fee in the amount of €100.

Refund requests will be accepted only up to one month after the visa has been denied (date indicated on the Embassy/Consulate rejection letter).

We highlight that a refund request corresponds to a withdrawal from the program and the University.

For specialising master programmes the same as above applies. Additionally, the first instalment is refunded if the Master does not start for insufficient enrollments.
